ember 8, 1994 under the heading "Ahmadi calls for expenditious settlement of disputes";

(b) if so, what steps Government have taken or propose to take in the light of the various suggestions made particularly for reviewing the methodology of appointment of personnel on Central Administrative Tribunals in the background of huge arrears pending with these bodies;

(c) what is the number of cases pending settlement with each of the Tribunals functioning under the Ministry of Finance, how many of these cases are pending for more than three years and five years and what are the reasons for delays in their finalisation in how many cases stay has been granted by the Courts and what steps have been taken to get the stay vacated;

(g) what steps Government have taken to expedite the settlement of the pending cases?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI M. V. CHANDRASHEKARA MURTHY): (a) Yes, Sir.

(b) The Income tax Settlement Commission and the Customs, Excise and Gold (Control) Appellate Tribunal are the two Tribunals functioning under the administrative control of M/o. Finance. In the case of CEGAT, selection of Members is already being made by a Selection Committee headed by a Judge of the Supreme Court of India. In the case of the Setttement Commissoion, steps are being taken to fill up vacancies on priority basis.

(c) In CEGAT, 52151 appeal were pending for disposal as on 1.1.95 of which 32991 were more than 3 years old and 19742 were more than 5 years old. In the Settlement Commission, 1783 admitted cases were pending at the end of Jan., 1995 of which 659 were pending for more than 3 years and 347 cases were pending for more than 5 years. The major reasons for delay in finalisisation of these cases are the complex nature of the cases requiring detailed consideration, time required in the case of CEGAT for clearance of cases of public-sector units from the Committee of Secretaries and adjournments necessitated by non-appearance of parties after notice. Information on the number of cases in which stay has been granted by the courts and the steps taken to get the stays vacated has been called for and will be laid on the Tabde of the House.

(d) CEGAT: 1992—7106 appeals and 4882 stay applications; 1993—7405 appeals and 5675 stay applications; 1994—8408 appeals and 4076 stay applications.

Settlement Commission: 1991-92—530; 1992-93—393; 1993-94—355 cases respectively.

(e) In accordance with Section 129 of the Customs Act, a Judiciad Member in CEGAT is appointed from amongst persons who have held a judicial office for at least 10 years in the territory of India or has been a member of the Indian Legal Service and held Grade-I of the service or a higher post for not less than 3 years or has been an advocate for not less than 10 years. A Technical Members is appointed from amongst officers of the Indian Customs and Central Excise Service Group 'A' who has held the post of

Collector of Customs/Central Excise for at least 3 years. The President is appointed from amongst Judicial/ Technical Members. In accordance with Section 245B(3) of the Income tax Act, 1961, the Chairman, Vice-Chairman and Members of the Settlement Commission are appointed from amongst persons of integrity and outstanding ability having special knowledge of and experience in problems relating to direct taxes and business accounts.

(f) In CEGAT there are 3 vacancies of Judicial Members since 1989, 1990 and 1992 respectively. After two unsuccessful attempts to fill up these posts another attempt has been made by issue of advertisement on the 4th March, 1995. Filling up of these posts is likely to take some time; There is only one vacancy of Member in the Settlement Commission since February, 1995 which is likely to be filled up shortly.

(g) Apart from monitoring of pendency in these tribunals through meetings at regular intervals, steps are being taken to fill up existing vacancies and to provide infrastructure facilities and stenographic support.

Closure PSUs by BIFR

1141. SHRI GHUFRAN AZAM: Will the Minister of FINANCE be pleased to state:

(a) whether the BIFR in the past these months has ordered closure of some Public Sector Undertakings of Central Government;

(b) whether Government could not support any revival scheme before the BIFR; and

(c) if so, the facts and details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI M. V. CHANDRASHEKARA MURTHY): (a) to (c) The Board for Industrial and Financial Reconstruction (BIFR) has reported that it has recommended the following two Central Public Sector Undertakings (PSUs) to the Hight Court for winding up during the past three months.

1. Cawnpore Texiles Limied.

2. Tannery and Footwear Corporation of India Limited.

In the above cases, the BIFR came to the conclusion that these sick industrial companies were not likely to make their net worth exceed the accumulated losses within a reasonable time while meeting all their financial obligations and as a result the companies were not likely to become viable in future and therefore it was just and equitable that the companies should be wound up.
